PROJECTS

1) To-Do List

A To-Do List Project

14/07/2024 - 15/07/2024

It is a To-Do List application that acts as a shopping list or rather a notes app where we can list our items so that we can remember them, and later we can strike it down, after the chore has been completed.

Technologies used: HTML, CSS and JavaScript.

2) Portfolio

A Portfolio website

17/07/2024 - 19/07/2024

This is a project created that you can open on your mobile and access my information. You also get to scroll down by using the hamburger menu without having to scroll down using your hand.

Technologies used: HTML, CSS and JavaScript.

2) Constructed an Electronic smart plug that can be used to charge up any of your application device. | 10.03.2024 - 02.04.2024
